How do I register as an individual pharmacy user?

You can set up your Pharmacist Resource Center account quickly and easily online. From the landing page, select the "Register" button. From the registration page, which will default to retail store, enter the following:

Step 1 Enter:

- NPI
- Pharmacy email address

Step 2: Enter:

- Enter First Name, Last Name
- User Name
- User Password

If you are having difficulty setting up your account, call Pharmacy Help Desk at **800.922.1557** for assistance.
